

KLOVE is a station that I financially support as a listener.
I love KLOVE because it allows me to stay in touch with Christian events and music.
The local community of Christians would be greatly affected by the loss of KLOVE on their local FM radio.
The only other Christian radio station available in our area is on an AM signal. I find it highly unfair to take away the KLOVE radio station from listeners who support it. KLOVE provides a service to our community that no other radio station will provide.
It is critical that the LPFM not take priority over current FM translator service.
